

LED Circular Up and Down Light

SKU#100920 LED Circular Up and Down Light 50 watts 4000K, 5020 Lm, 120V - 40" Aircraft Cable + Ceiling Canopy + 3-Wire power cable

PRODUCT DESCRIPTION

FDL LED round flat panel design for high-end interiors, offices, hotels, retail, and other commercial/home projects. It incorporates advanced light guide plate technology and high brightness micro-SMD LED light source to deliver a smooth, up&down and uniform light fixture. This unique round flat panel luminaire designed to provide smooth, dispersed illumination for modern interior spaces. Featuring a low-profile aluminum construction, the Circular Up and Down Light is convenient and durable for installation in ceilings with a low plenum space. It incorporates innovative Flat Optics that are engineered to eliminate glare issues that have become increasingly prevalent among LED luminaires as efficacy has increased over time.

FEATURES:

- Surge protector.
- White painted parts are treated with a five-stage phosphate bonding process and finished with high reflectance baked enamel.
- Low profile design optimizes shipping, storage, and handling.
- Shallow depth provides sleek, low-profile appearance.
- Performance engineered optical lens assembly delivers unique beam angles and reduces glare.
- High quality LED Chips provide high efficiency, heat dissipation, stability, and lumen maintenance.
- Driver disconnect provided where required to comply with US and Canadian codes.
- Class II/P driver, with 0-10V or Triac dimming.

APPLICATIONS:

Home/Offices/Hotels
Restaurants/café Shop/
Meeting rooms

OPTIONS:

AC120V

CCT 4000K

Suspension Chain
